116 Dovercourt Road,
Toronto, July 23, 1913.

The Bursar,
University of Toronto.

Dear Sir:

While duly appreciating the honor of being appointed Assistant in Clinical Medicine, on account of the feeling of the staff of Toronto Western Hospital that the agreement between the University of Toronto and the Toronto Western Hospital should be annulled, in justice and honor I am forced to decline the appointment.

Yours truly,

(Signed) W. C. Heggie.
